

KANE'S WORDS OF WISDOM

FOR THE MEMBERS

“Know your abilities well, but never be satisfied with what you can do today.”

“He who controls the past, commands the future.
He who commands the future conquers the past.”

“It has been truthfully said that knowledge is power.”

“The media can either be your friend... or your enemy.”

“Rise my people. I have returned, never to leave your side again.
GDI sought to destroy me, but they have only made me stronger.”

“You shall give of yourself body and soul in the
service of the Brotherhood, and in return for your efforts you
shall become greater than you ever dared imagine.”

“The time has come, to claim this world as our own.
The time has come, to destroy GDI.”

“Where there is peace, there once was blood.”

ABOUT THE BROTHERHOOD

“Brotherhood. Unity. Peace.”

“The Brotherhood had its beginnings with the first
downtrodden who looked for a better way.”

“We do not come in Peace.
We come ahead of Peace.
Peace travels with strength.”

“One vision. One purpose. Peace through power.”

“Today, we march forward into our future. A stronger people.
A divined people, enhanced for the Tiberium world.”

“The Brotherhood exists wherever there is need.”

ABOUT HIMSELF

“No, I'm not God. But I'm a close second.”

“I've seen the future. Our Tiberium future. And as you watch
this battle just beginning to unfold, I've already seen the
final act. It is my destiny to lead the way for all mankind.”
